An adaptive query execution system for data integration - all 18 versions »
ZG Ives, D Florescu, M Friedman, A Levy, DS Weld - ACM SIGMOD Record, 1999 - portal.acm.org
... estimate, **execution** continues normally. Should ... 23) if the connection to data source A **times** out, join DE will be executed preemptively ...
Cited by 303 - Related Articles - Web Search

Netsolve, a Network-Enabled Server for Solving Computational Science Problems - all 3 versions »
H Casanova, J Dongarra - International Journal of High Performance Computing ..., 1997 - hpc.sagepub.com
... program- ming effort from the user who may not have the **time** to ... NetSolve is a client-server applica- tion designed to solve computational science problems ...
